Votes are counted, entries are judged - here are your 2017 Business Awards WINNERS! 🏆

The inaugural North West Business Awards Dinner was held last night, where the winners were announced from the 46 finalists across the eight categories.

Two top awards were also presented - the Supreme Award, presented to Physio Flex (Helensville), and the People's Choice Award, going to Woodhill Mountain Bike Park.

A very big congratulations to all the finalists of the Business Awards, and thank you to all those that attended the Awards Dinner - the community spirit was very evident, as was the collective community pride in having such outstanding businesses and people.

Thanks also to the sponsors - The Riverhead, who were also our fabulous hosts, and to Thomas Consultants.

Keep an eye out on the [North West Country website](#) or [facebook page](#) for further photos of the night.

ATEED Business Clinic

Helensville - 9th May

Whether you've got some great ideas to grow your business, have come up against a road block or want to discuss your biggest business challenge, you will find value in a FREE, 45-minute one-to-one session.

Our experienced business growth specialists can help existing businesses with business strategy, productivity improvements, cash flow and financial management, marketing challenges, ideas for exploring new products and business opportunities, staff management issues or how to get into exporting.

Register for a session here!

Currently hiring or job-hunting?

Meet the app that now makes this a whole lot easier ...

The Occupation Outlook app gives easy-to-use overviews of job demand, likely pay and what training you'll need. This version covers 108 careers — or 90 per cent of the labour market.

If you're an employer or looking to become one, you can use the tool to check: market pay rates for roles you want to fill, demand for jobs by industry, skill shortages by industry.
